

Log in to MyCarePortal

1. Open a web browser and type <https://mycareportal.ca.healthintent.auth0.com/login> in the address bar.

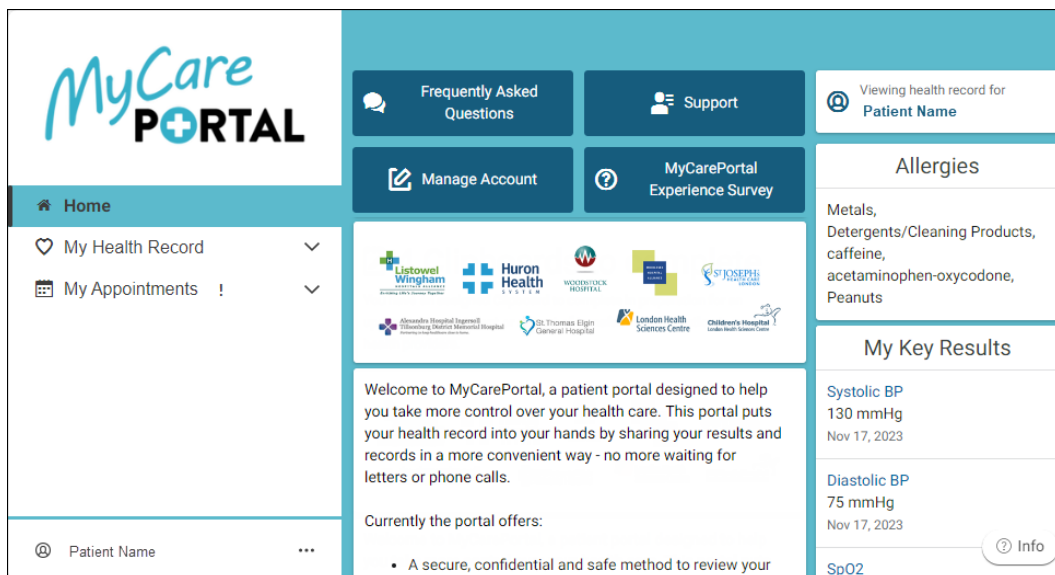

The **MyCarePortal** log in page displays.

The login page features the MyCarePortal logo at the top, followed by a 'Welcome' message. Below this are two input fields: one for email (placeholder: 'yours@example.com') and one for password (placeholder: 'your password'). A link 'Don't remember your password?' is positioned below the password field. At the bottom, there is a large blue button labeled 'LOG IN >'.

2. Click in the **email** field and type your email address.
3. Click in the **password** field and type your password.
4. Click **LOG IN >**.

The **MyCarePortal Home** page displays.

The home page is divided into several sections. On the left is a navigation menu with 'Home' selected, and links to 'My Health Record' and 'My Appointments'. The top right contains links for 'Frequently Asked Questions', 'Support', 'Manage Account', and 'MyCarePortal Experience Survey'. Below these are logos for various healthcare providers including Listowel Wingham, Huron Health, Woodstock Hospital, St. Joseph's, St. Thomas Elgin, London Health Sciences Centre, and Children's Hospital. A central welcome message states: 'Welcome to MyCarePortal, a patient portal designed to help you take more control over your health care. This portal puts your health record into your hands by sharing your results and records in a more convenient way - no more waiting for letters or phone calls. Currently the portal offers: A secure, confidential and safe method to review your'. On the right, there are three panels: 'Viewing health record for Patient Name' (with a dropdown for 'Allergies' listing Metals, Detergents/Cleaning Products, caffeine, acetaminophen-oxycodone, and Peanuts), 'My Key Results' (showing Systolic BP 130 mmHg and Diastolic BP 75 mmHg, both dated Nov 17, 2023), and 'SpO2' with an 'Info' icon.
